THE DRINKS

Looking to treat your guests to an open bar? We've got you covered! Looking for other options? We'll work with you to create the amazing experience your guests deserve.

- Hosted Drinks
 - We track and add all drinks costs to your final bill
 - Drink Tickets
 - You purchase drink tickets for your guests and distribute at your discretion
 - This helps control event costs
 - Tickets are \$9 and are good for any drink we serve
 - Additional drinks can be charged individually
 - Cash Bar
 - Drinks are paid by your guests. We settle up with guests individually.
- * Permissible for guests 21+ only.

THE ADD-ONS

Looking to hire a teaching professional to show your guests the ropes? Ask us for hourly pricing and availability.

Need an Emcee, DJ, or want a live band? We can help!

Need to show a presentation over lunch and want to use our 18-foot screens?
We can do that too!

Ask us how we can help curate the perfect party for you and your valued guests.

BUT WHAT DOES IT COST?

For events at X-Golf Madison & Middleton, we understand that not all of your guests may want to play golf, so we don't charge per person - we simply charge our normal hourly prices (see image to the right) and work with you to reserve the appropriate number of simulators.

This allows us to work with you to create the best-fit experience for both your guests and your budget.

Love this place! They have the most accurate indoor golf simulators that I've tried in Madison along with a great atmosphere, and good food/drinks. I played in an indoor golf league this winter and for the first time ever, my golf swing didn't feel completely broken when spring rolled around.

This place was awesome. Similar to the Middleton location, staff was very friendly and accommodating. The simulators are top of line. I will be back.

Opening just weeks ago, X-Golf Middleton is the new, indoor golf hot-spot. Having been to different golf simulators in the past, I had higher expectations for this venue. Let me say that X-Golf met all of them!

The simulators are nice and automated. The golf ball automatically falls back into a channel and pops out of the ground for you, when your re ready to hit. This functionality has a Top Golf feel where you can initiate the ball being set with a button on the flow (shown in pictures). This feature is very nice and you do not have to worry about retrieving your ball after every shot. In total, I believe there are 7 simulators available for us.

We had the pleasure of hosting one of our top referring clients, American Family Aune & Associates, at the X-Golf Middleton location this last week. We had fun playing a scramble game on the beautiful Turtle Bay simulated course. Our host & server, Alex, did a great job taking care of our group. I highly recommend X-golf for your next company or personal outing, as it's different and interactive during these cold winter days.

Finally had an opportunity to get to the X_Golf East location. I could not have been impressed more. By far the best simulators in town for indoor golf. The overall accuracy and ease of play were great. Facility was clean and staff were very polite and attentive the whole time we were there. I will be back and am looking forward to having such a great option for golf during the cold winter.

This is the best XGolf location I've visited to date. Set-up is top notch with roomy bays, good beer, relaxed vibe. The sims are loaded with features and highly accurate, even the putting. Staff offers helpful tips for getting the most out of the experience. Great spot to join a league.

My husband and I held our rehearsal dinner at X-Golf and it was one of our favorite parts of our wedding weekend!! So impressed all around!

The staff were wonderful to work with and made planning very easy. They took care of ordering the catering, setting up tables for our dinner, and making sure that everything was taken care of for our event! I didn't have to worry about a single thing!

This was the perfect space for our family and friends! We had about 50 people at the rehearsal dinner and everyone loved it from grandparents to toddlers. If you are looking for something a little different for our rehearsal dinner or are golf fans, I would highly recommend hosting your event at X-Golf!!

I had an absolutely wonderful time here. The staff were very friendly and the facility was very clean (full bar/food). A lot of simulators don't read accurately but these were spot-on. Even adjusted for sand trap shots. All the other simulators I've played have issues with putting but these seem to play like real puts. Ordered some quesadillas and they were delicious. Definitely coming back

Visited this place today for the first time with a friend. I must say the quality of simulator is top notch but what made this the best out of the 30 places I have been was the service. Jeff and Joe outdid themselves and made me a customer for life. Thank you.
