- Must have the following in order to complete registration:
 - Team Name
 - Player Name
 - Phone Number
 - Email Address associated with X-Golf App
 - League Registration Fee Paid
- Download “Golf League Guru” App on your Smartphone
 - Sign up with the same email used to register above
 - This app will be used to communicate with all league members, post scores, check leaderboards and more

RULES

- Handicap
 - X-Golf Handicap highly recommended - in order to obtain this, download the X-Golf App, and post at minimum 3 - 9 hole rounds using the app. Please ask any X-Golf staff member for details on how to get your round started using the app
 - If an X-Golf handicap is not obtained, then an official registered GHIN handicap must be provided at time of registration
 - If neither of the first two options are available, then you may still register but you will be placed at a 0 Handicap until you are able to obtain either of the first two options.
- Courses are predetermined at the beginning of the league
- Teams will be randomly matched each week
- The Tee may only be used when on a tee box. All other shots must be hit from the impact mat or the putting node.

- Putts will be conceded inside of 4 feet each week (except for League Showdown)
- Putting Preview will be disabled - turning this back on and using it will result in disqualification and award opponents all 25 available points for that week
- Out Of Bounds will be turned ON. Keep it inside the stakes!!
- Shots not Registered
 - If the simulator does not register a shot, please immediately call an X-Golf Staff member over.
 - Staff will determine the cause (was it player error or tech error) If player error, ie a shank that sensors did not catch, then player will hit again, no penalty given (lucky break here...)
 - If it was tech error, staff will correct the issue and the player will hit again, no penalty given
- Mulligans - a mulligan is only acceptable if everyone in both teams agree that the registered shot was not correct. An X-Golf Staff member must be notified before Mulligan is taken.
- Course Wind conditions will be predetermined for each week.
