# GAME SET UP SELECTIONS

## ➤ TEE SELECTION KEY

-  **YELLOW:** Shortest tees, used by juniors and those new to the game. Makes the Course a Par "3".
-  **RED:** Forward Tees, Traditionally termed as Ladies or Senior Tees.
-  **WHITE:** "Men's Tees" Standard tee for most adult men and those who can hit a solid 200+ yard drive.
-  **BLUE:** "The Tips" Expert tees for the longest hitters.

## ➤ PLAYER LEVEL SELECTION

*Determines the accuracy of the simulator. **Professional is 98.7% accurate to real golf.** Novice being the least accurate and the most "Forgiving" setting.*

## ➤ PLAY GAMES

### STROKE

Golfers play their own ball and card their own individual score for each hole.

### PAR 3

Play par 3 courses. Golfers play their own ball and card their own individual score for each hole.

### SCRAMBLE

Team picks the best ball, then all players hit their shot from that spot.

### SKINS

A prize(skin) is assigned for each hole and the player who wins the hole wins the prize(skin). In the case of a "tie", the skins carry over to the next hole.

### BEST BALL

Team format, where each golfer plays their own ball. Then the team records the best individual score as the "Best Ball Score" for that hole.

### ALTERNATE SHOT

Also known as Foursomes, is a pairs playing format. Compete in teams of 2, using only one ball per team, and taking alternate shots until the hole is completed.

## ➤ EVENTS

Longest Drive, Closest to the Pin, & Putting.

## ➤ Mini-Games

10 Shot Challenges and more fun games!

## ➤ PRACTICE

Driving Range or Course.

Course option turns any course & any hole into a driving range! Try practicing in a bunker or at 150 yards from the pin.

# DRIVING RANGE NUMBERS

**CLUB:** Information only, does not impact statistics.

**DISTANCE:** Total distance the ball traveled.

**CARRY:** The distance the ball traveled in the air before it landed.

**BALL SPEED:** The speed the ball traveled. This is created by club speed and impact. The faster the club speed and centeredness of the hit are the two main determining factors that will dictate ball speed.

**BALL DIRECTION:** This is the angle between the target line and ball path at launch. If you see "0" then your ball is traveling directly along the target line at launch.

**LAUNCH ANGLE:** The angle between the ball path and ground at launch. Swing speed and club selection will impact the launch angle as well as the angle of attack. For example, the average driver launch angle on the PGA Tour is 11.2 degrees.

**BACK SPIN:** The rate of backwards spin rotation on the ball immediately after impact. Spin rate is one of the least appreciated numbers in windy conditions. Typically, the more lofted the club, the more spin generated. This is why when playing in the wind we often club up.

**SIDE SPIN:** The rate of side spin on the ball. Depending on the number of degrees will dictate a draw or fade.

**IMPACT ANGLE:** This is the direction the club is heading at impact. positive numbers indicate "in-to-out" for right hand golfers, but negative numbers indicate "in-to-out" for left handers.

**PEAK VERT:** Maximum height the ball reached during its flight.

**PEAK HORIZ:** This measures how far the ball traveled before it reached its maximum height.

**SEP. DIST:** How far from the center line the shot ended up.

**HEAD SPEED:** The rate of your club head speed at impact. More club speed means more potential distance.

**SMASH FACTOR:** The ratio between club speed and ball speed – literally ball speed divided by club speed. Smash factor is an indicator of how efficiently energy is transferred from the club head to the ball. There is an optimal smash factor for each club, ranging from a driver at 1.50 to a pitching wedge at 1.25.

# GOLF VOCABULARY

- **STROKE**  
The act of taking a swing or shot.

- **CLUB UP / DOWN**  
Changing the selected iron depending on the yardage. The lower number the iron, the farther the ball will go.

- **GIMMIE**  
If the ball falls within a certain amount of space from the hole, it’s a “gimmie.” The player is done with the hole and 1 stroke is added to their play.
- **19TH HOLE**  
The clubhouse/bar to visit after a round of golf.
- **BREAK**  
The way your golf ball will move on the green depending on the slopes and hills on the green.
