HOW PRICING WORKS

STEP	EXAMPLE: 10 GUESTS, 2 BAYS, 2 HRS, TEE BOX	EXAMPLE: 35 GUESTS, 4 BAYS, 3 HRS, FAIRWAY
1. Bay time (rate × bays × hrs)	$50/hr × 2 bays × 2 hrs = $200	$50/hr × 4 bays × 3 hrs = $600
2. Food & drink package (price × guests)	$24 × 10 = $240	$30 × 35 = $1,050
3. + 15% gratuity	($200+$240) × 15% = $66	($600+$1,050) × 15% = $247.50
Estimated total	**~$506**	**~$1,898**

Bay rate shown ($50/hr/bay) is illustrative — see page 1 for your exact rate. ***Full 6-bay buyout example:*** *6 bays × 3 hrs × $60/hr = $1,080 bay time, before F&B/gratuity.*

BUFFET BAR MENU

Self-serve, buffet-style stations — priced per guest, ordered as its own line item.

BAR	PRICE/GUEST	CONTENTS
Appetizer Bar	**$12**	Tater Tots, Buffalo Chicken Bogeys, Albatross Dips (chips + dip)
Nacho Bar	**$14**	Pulled pork, pulled chicken, or both — your choice, on nachos with tortilla chips, queso poblano, crispy onions, salsa, jalapeños
Pizza Bar	**$15**	Rotating mix of 4–5 pizza varieties, freshly baked and replenished in batches throughout your event
Pulled Pork/Chicken Sandwich Bar	**$19**	Build-your-own pulled pork or chicken sandwich, choice of sauce, crispy onions, on a soft pretzel bun + a side of tater tots

Each bar is a standalone, per-guest priced item — mix and match any bar with any Drink Ticket tier (next page) to build your own package, or pair with one of the suggested Event Packages (previous page).

HOW IT WORKS

- All bars are **self-serve** — guests build their own plate/sandwich, no order-taking or per-guest tracking required
- Stations are **continuously replenished** throughout the event as trays run low — not a one-time single serving
- Priced **fixed per guest, regardless of event length**
- Available for parties of **any size** — no guest-count minimum

À LA CARTE DRINK TICKETS

Prefer to build your own bar instead of a bundled package? Buy tickets by the tier, priced per guest.

TIER	PRICE/TICKET	INCLUDES
0. Nonalcoholic	$3.00	Fountain soda (Coke, Diet Coke, Sprite, all bar-gun flavors), iced tea, lemonade, coffee, bottled water, juice (1 ticket each)
1. Domestic Beer & Wine	$6.00	Domestic drafts & bottles (Coors Light, Bud Light, Miller Lite, Modelo, Yuengling, Busch Light, etc.); house wines (Prosecco, Chardonnay, Sauvignon Blanc, Pinot Noir, Cabernet); NA beer, Red Bull, coffee, juice (1 ticket each)
2. Full Bar Standard	$7.50	Everything in Tier 1, plus craft & premium craft beer; well bourbon, gin, rum, vodka, whiskey; simple 2-ingredient mixed drinks (rum & coke, vodka soda, whiskey & sprite, etc.); canned RTD cocktails
3. Full Bar Premium	$9.00	Everything in Tier 2, plus top-shelf bourbon, gin, tequila, vodka & whiskey; full signature cocktail menu (Old Fashioned, Margarita, Moscow Mule, Sweet Tee Mule, Bloody Mary/Mimosa, and more)
4. Open Bar Tab	—	No pre-purchased tickets — guests order at standard menu prices on an open host tab, billed at the end of the event just like a regular visit

Fountain soda, coffee, and water are always free at every tier — no ticket needed. Doubles and double-pour cocktails cost 2 tickets, any tier. 15% event gratuity applies the same as any other event line item.

HOW IT WORKS

- Host pre-purchases tickets up front — pick a tier and a fixed count per guest (e.g., 2 tickets/guest)
- 1 ticket = 1 single pour (tall draft/16oz bottle, single wine pour, or single liquor/cocktail pour)
- Once a guest's tickets run out, they move to their own personal tab at standard menu prices — the host is never billed beyond the tickets purchased
- Prefer no tickets at all? Choose **Open Bar Tab** — everything rings up at standard prices on one running tab, no pre-purchase required
- This à la carte option can be used on its own, or paired with any Buffet Bar Menu tier (previous page) to build a custom version of the Event Packages

Not sure which tier fits your crowd? Ask your event coordinator — most groups land on Tier 2, Full Bar Standard, with a Tier 3 upgrade for milestone celebrations. Hosting a smaller, shorter event? Go straight to Open Bar Tab — nothing to pre-purchase.
